

REMARKS

Very minor amendments have been to independent Claims 20, 24 and 31 to remove the language objected to by the Examiner. It is believed that each of this independent claims now clearly reads on at least the species of Figures 6-11.

If the Examiner should have any further questions regarding this matter, it is requested that the undersigned be contacted at the Examiner's earliest convenience at (248) 641-1600.

Respectfully submitted,

Dated: June 23, 2005
